

April 21, 2020

Dear St. Peter Academy Parents and Guardians,

Today, Governor Charlie Baker has extended the closure of all public and private school buildings in Massachusetts for the remainder of the 2019-2020 academic year. Undoubtedly, this news is difficult for all of us to hear. However, we recognize that the health and wellbeing of our city, state, and country is at stake due to the unprecedented demands of the COVID-19 (Coronavirus) pandemic.

As a non-profit, community-based institution, we will continue to take every measure to ensure that St. Peter Academy remains strong for our children, families, and community.

Sincerely,

A handwritten signature in black ink that reads "Francis G. Galligan".

Francis Galligan, Ed.M.  
Principal, St. Peter Academy
